

International Military Motorbike Meeting 2024

On 5, 6 and 7 July 2024 the Klassieke Legermotoren Club Nederland (Classic Military Motorbike Club Netherlands) will organize the International Military Motorbike Meeting again.

Location: Buitencentrum Kerkemeijer (Outdoorcenter Kerkemeijer), Ruurloseweg 51, 7271 RS BORCULO. Borculo is a small village located about 42 km south-east of Deventer.

This meeting is open for all classic (25 years and older) military motorbikes. Regardless make and used by which army.

At Buitencentrum Kerkemeijer we will have our own site, suitable for tents, caravans and campers. Electricity is available. Who will prefer to stay in a hotel or B&B can arrange this by himself. The area has lots of accommodation to offer, but please mind that early July is the start of the holidayseason and this region is quite populair. So better make your reservation in time.

Meeting programme (as for now):

- Friday afternoon/evening, arrival of participants
- Option to join a simple evening meal
- Short tour
- Saturday morning, arrival of other participants, up to 10.00h
- Tour (also off road), starting at 11.00h
- Lunch underway
- Back in Borculo at about 16.00h
- Evening BBQ
- Sunday morning, for who wants to join another short tour
- End of programme

We will send the official invitations for this meeting in April/May, but those who would like to join already, please send an email to treffen@klcn.nl

Best regards,
The organization team
